

# MALVIYA CONVENT SCHOOL

2, Institutional Area, A Block Near Kardhani Shopping Centre, Hari Marg, Malviya Nagar, Jaipur-17

Date: 05.05.2022

## Dear Parents

Best regards

Many many congratulations to all of you, especially I express my special gratitude to all the mothers associated with the Malviya Convent School family and send them the best wishes for the coming Mother's Day (8 May - Sunday). At the school level, every year we have been dedicating this special occasion with full love, faith, and will continue to do so for the honor of all of you mothers.

Well, the glory of a mother cannot be expressed in any words because what a mother can do for her children, it cannot be even done by God because God also has a mother. Mother's place is considered greater than God. The similarity between the two is that both God and Mother can understand our feelings and problems without saying anything else.

And I believe there is no better way to connect these two, than through music. In this sequence, a **Sangeet Sandhya (Maa Musical Night Award)** is being organized on **8th May 2022 (Sunday)** by the **joint aegis of Malviya Convent School and Leading Notes Music Academy** to salute all the mothers on this auspicious occasion. I request you to grace this program with your presence in this program at 6:30 pm.

Your gracious presence will inspire us and we will feel that our small effort to honor the mother power was successful.

“नास्ति मातृसमा छाया, नास्ति मातृसमा गतिः ।  
नास्ति मातृसमं त्राण, नास्ति मातृसमा प्रियाः ॥
