

Alumni's Corner

Alumini's Corner

It fills me with immense joy to write back to my beloved alma mater. I studied at Malviya Convent School from Class 4th through Class 12th and proudly graduated in 2019. The nine years I spent at MCS were truly transformative, largely due to the exceptional educators and the nurturing environment that defined my school days.

I must express my deepest gratitude to Punam Ma'am. Her innovative teaching methods transformed complex chemistry concepts into memorable real-life analogies. The brilliant use of mnemonics made even the most challenging aspects of inorganic chemistry accessible and engaging. Beyond the classroom, her dedicated guidance as my college counselor was instrumental in shaping my academic path and leading to me going to Yale University for a summer program. Her unwavering support made what once seemed impossible, possible.

Bharti Ma'am, who served as both my social science teacher and class teacher, played a pivotal role in my academic journey. Her thorough approach to teaching and persistent encouragement were crucial in my preparation for NTSE. With her extraordinary ability to make history and civics come alive through storytelling, she not only imparted knowledge but also fostered a genuine love for the subjects.

I am equally indebted to Sulekha Ma'am, our vice principal and English teacher, whose emphasis on strong grammatical foundations has served me tremendously well. Her rigorous training enabled me to excel in TOEFL and SAT, and later gave me the confidence to write research papers and even publish a book. The command over English I developed under her guidance has been invaluable.

Svetika Ma'am, our principal, was much more than her official role—she was a moral compass and a role model for us all. While upholding the necessary discipline, she provided silent yet unwavering support for all my endeavors. Her example taught me that authority and empathy can coexist beautifully.

I must also mention Pankaj Sir, whose mathematics classes were a perfect blend of rigor and enjoyment. His enthusiasm for the subject was contagious, and he always encouraged us to explore beyond the standard curriculum. The confidence I gained in tackling complex mathematical problems in his classes has been indispensable in my computer science studies.

The nurturing environment at MCS, coupled with the guidance of these dedicated teachers, has shaped not just my academic journey but also my character and values. The strong foundation laid during my time here has been crucial in my current pursuit of BS and MS degrees in Computer Science at Stanford University.

Moreover, I am especially grateful for the school's focus on social responsibility and community service. The values instilled in me during my school days inspired me to found TechSoCh (Technology for Social Change), an initiative that now works across multiple countries to make education accessible to underprivileged children. The recognition from the Government of Rajasthan for our child development projects is a direct reflection of the seeds of social consciousness planted during my formative years at MCS.

As I continue my education in Computer Science while working on various AI initiatives and maintaining my commitment to social impact, I often reflect on how profoundly my time at MCS has shaped my worldview and aspirations. The school's motto of striving for excellence while remaining grounded in core values continues to guide my path every day.

Thank you, Malviya Convent School, for providing me with opportunities that have helped me grow and learn. The memories, lessons, and values I gained during my time here will always remain close to my heart.

With deep gratitude,

Abhinav Agarwal
Batch 2019

Alumini's Corner

MCS has been the foundation block of my journey. The teachers are very supportive, the environment is very nurturing and it pushed me to achieve my dream and helped fostering my growth.

The school's emphasis on academic excellence, coupled with extracurricular activities, helped shape me into a well-rounded individual.

Proud to be a MCS amuni.

Aniket Parashar

Batch - 2020

B Tech, IIT Delhi

Software Developer at National Payment Corporation of India

I am happy that I can call myself a MCS alumni. Malviya Convent School's curriculum and teaching methods are different from other schools. Well planned worksheets for practice can make children think beyond prescribed Textbooks. I like to take this privilege to congratulate the management of the School for its endless efforts towards shaping the future of children.

Jai Kumar Shivani

Batch - 2015-16

Assistant Manager, Wipro Ltd.

Chartered Accountant (2016-2021),

B.Com (2016-2019)

M.Com (2019-2021),

Diploma in Astrology (2024-25)

The time I spent in school was filled with ups and downs that taught me many life lessons. The academics of MCS are outstanding, and the social life, friendship, and nature of teachers are fantastic.

I feel nostalgic when remembering those days in which we went to school where I feel like a family. Teachers are very motivating, kind and caring in nature. They have complete knowledge of the courses offered to us of that particular class. Many facilities other than academics are available in school, which can be utilised for personal growth, including sports facilities, canteen facilities, and ground for other games, which provides a platform for those having enthusiasm.

I can't explain in words about the support which I got from the MCS family.

In absence of that support, it was not possible for me to get smooth entry in my dream college IIT Kharagpur.

Thanks a lot to Director Sir, Principal Ma'am and all the teachers.

MCS nurtured both my intellect and spirit. The rigorous academics and compassionate teachers ignited my lifelong curiosity. Values of integrity, resilience, and empathy, instilled there, guide me still. This foundation prepared me for my role as a Chartered Accountant at Sterlite Copper, Vedanta. I am deeply indebted to the school for shaping my intellectual and professional journey.

Throughout my educational journey, I've attended several schools, but Malviya Convent stands out as the place where I created my most cherished memories. The dedication of the teachers and staff to our well-being truly shaped my experience and made my final days as a student unforgettable. I am grateful for the unwavering support I received during my time there and continue to benefit from it even as an alumnus. Thank you to all the teachers and staff for everything you have done.

"Success is not final, failure is not fatal: it is the courage to continue that counts." Throughout my academic journey, my school and teachers played a pivotal role in shaping my path, guiding me with wisdom, and instilling in me the confidence to chase my dreams. Their unwavering support and encouragement fueled my passion for learning, ultimately leading me to pursue my B.Sc. in Business and Management Studies at the University of Europe for Applied Sciences in Berlin, Germany—my dream destination. Success as a student comes from perseverance, curiosity, and a willingness to embrace challenges with an open mind. Studying abroad has been a truly transformative experience, offering a unique blend of cultural diversity, global perspectives, and unparalleled learning opportunities. Every day, I am growing, adapting, and evolving into a more capable and confident individual, ready to take on the world.

"Malviya Covent school is a beacon of excellence, nurturing young minds and fostering a love for learning. With dedicated teachers and state-of-the-art facilities, it provides a supportive and stimulating environment for students to thrive. The school's commitment to academic rigor, creativity, and character development is truly commendable. It's a place where students can grow, explore, and achieve their full potential. I feel proud to be a part of this vibrant educational community!"

BARMER MEDICAL COLLEGE

I have fond memories of my time at Malviya Convent School. The school provided me with a solid foundation in academics, and the teachers were always supportive and encouraging. I'm grateful for the opportunities I had to participate in extracurricular activities, which helped me develop important life skills.

After completing my 12th standard in Commerce from Malviya Convent School, I went on to pursue Company Secretary Course.

I am a Company Secretary by profession and a teacher by passion.

I'm currently a Practising CS and also working as a faculty of CA, CS and CMA courses at Gyan Sagar Classes and Chinmay Tutorials.

Currently I am pursuing Ph.D in Commerce as well.

The skills and values I learned during my school days have been invaluable in my personal and professional growth

I am Vedita khushi , currently pursuing MBBS from Government Medical College, Bharatpur.. I have completed my class XII (in 2022)from Malviya convent school... I changed my school in 11 th class...but In starting i was little anxious after a while my teacher Punam mam assisted me in the acedmics and extracurricular activities... It helped me in my personality building and gaining leadership qualities... I have learnt a lot from this school and the teachers (Punam mam , Manoj sir) in the terms of acedmics , performing and speaking in public, teamwork,voluntaring, debating....etc. I have taken a lot of values and teaching from this school.

Malviya Convent School holds a special place in my heart, as it laid the foundation for both my academic and personal growth. I remain grateful for the support provided by the teachers and the vibrant learning environment of the school. The lessons I learned during my school years have been instrumental in navigating both my higher education and professional journey.

I graduated from IIT Kanpur in 2024 with a B.Tech in Electrical Engineering. During the summers of 2022 and 2023, I interned at Uber, where my strong performance earned me a pre-placement offer. I am now working as a Software Engineer at Uber in Bangalore.

I wish the current students and the entire school community continued success and growth.

My name is Vijayant Rana from batch 2023. Currently I am pursuing medicine in RUHS College of Medical Sciences as a 2nd year student. My experience in Malviya Convent School has been nothing short of amazing. The two years which I spent in this school were something I would remember for the rest of my life. The teachers were all great and always ready to help. Poonam ma'am's support to me was a factor without which my success in the boards would be doubtful. I still remember the farewell party when I was given the Mr. Fresher's and the laugh I had with all my friends.. and then immediately going our separate ways towards our own destinations. I believe that schools are not just meant for learning our subjects but learning the virtues and making memories which would go down with us till our last day.. and this school didn't at all disappoint in this matter. Thank you so much for giving me something to cherish forever.

RESPECTED PUNAM MADHOK MA'AM & RESPECTED TEACHERS,

Greetings!

It is an honor to reconnect with Malviya Convent School, the place that laid the foundation for my academic and personal growth. I am immensely grateful for the values, knowledge, and discipline instilled in me by my esteemed teachers. Their unwavering guidance and encouragement have played a crucial role in shaping my journey.

I am delighted to share that I successfully cleared the NEET UG 2024 exam in my first attempt and secured admission to Government Medical College, Bundi (Rajasthan). This achievement would not have been possible without the dedication of my teachers, who always motivated me to strive for excellence. The lessons I learned here—both inside and outside the classroom—helped me overcome challenges with confidence and determination.

I fondly remember the vibrant school environment, the inspiring morning assemblies, and the constant support from our teachers. Their belief in my potential kept me motivated even in difficult times. To all the students currently studying at Malviya Convent School, I encourage you to dream big, work hard, and never give up!

As a token of motivation, I would love to share this timeless poem by Dr. Harivansh Rai Bachchan Ji, which has always inspired me to keep moving forward:

लहरों से डरकर नौका पार नहीं होती ।
लहरों से डरकर नौका पार नहीं होती,
कोशिश करने वालों की हार नहीं होती ॥
नन्हीं चींटी जब दाना लेकर चलती है,
चढ़ती दीवारों पर, सौ बार फिसलती है ।
मन का विश्वास रगों में साहस भरता है,
चढ़कर गिरना, गिरकर चढ़ना न अखरता है ।
आखरि उसकी मेहनत बेकार नहीं होती,
कोशिश करने वालों की हार नहीं होती ॥
डुबकियां सिंधु में गोताखोर लगाता है,
जा जाकर खाली हाथ लौटकर आता है ।
मिलते नहीं सहज ही मोती गहरे पानी में,
बढ़ता दुगना उत्साह इसी हैरानी में ।
मुट्टी उसकी खाली हर बार नहीं होती,
कोशिश करने वालों की हार नहीं होती ॥

संदेश :

यह कविता हमें सिखाती है कि सफलता उन्हीं को मिलती है जो लगातार मेहनत करते रहते हैं। जीवन में कितनी भी कठिनाइयाँ आएँ, हमें धैर्य और साहस के साथ प्रयास करते रहना चाहिए।

मैं अपनी सफलता का श्रेय अपने माता-पिता, गुरुजनों और स्कूल को देता हूँ, जिन्होंने मुझे हमेशा आगे बढ़ने के लिए प्रेरित किया। मैं आशा करता हूँ कि वर्तमान छात्र भी पूरी लगन और समर्पण के साथ अपने लक्ष्यों को प्राप्त करेंगे।

सादर,

Rohit Kumar

Greetings

My experience at malviya convent school was incredible

The teachers were really supportive and helped me a lot with my academics

Their advices still help me in my college life

I remember one time Mrs poonam ma'am told me to wake up early in the morning and perform meditation

This helped me a lot with my mental and physical wellbeing.

I am Yashvardhan Sharma from 22-23 batch (12th)
